JANUARY / FEBRUARY 2016

# there's an app for that resolution

The secret to keeping your New Year's goal is right at your fingertips! We asked experts to pick the best apps for eight common resolutions.

## RESOLUTION

Get organized

## APP

**BrightNest**

(free on iTunes and Google Play)

"Keeping a home in shape takes a lot of work, and you can go nuts trying to remember what needs to be done when. This app gives you a customized schedule of tasks throughout the year, and it sends a reminder when it's time to, say, put fresh batteries in your smoke detectors or replace your HVAC system's filter."

—Jeffrey Phillip, member of the National Association of Professional Organizers
